Assignor/Transferor Certification Statements

! The Assignor or Transferor certifies either (1) that the authorization will not be assigned or that control of the license will not be transferred until the consent of the Federal Communications Commission has been given, or (2) that prior Commission consent is not required because the transaction is subject to streamlined notification procedures for *pro forma* assignments and transfers by telecommunications carriers. See Memorandum Opinion and Order, 13 FCC Rcd. 6293 (1998).

! The Assignor or Transferor certifies that all statements made in this application and in the exhibits, attachments, or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.

Assignee/Transferee Certification Statements

! The Assignee or Transferee certifies either (1) that the authorization will not be assigned or that control of the license will not be transferred until the consent of the Federal Communications Commission has been given, or (2) that prior Commission consent is not required because the transaction is subject to streamlined notification procedures for *pro forma* assignments and transfers by telecommunications carriers. See Memorandum Opinion and Order, 13 FCC Rcd. 6293 (1998).

! The Assignee or Transferee waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and requests an authorization in accordance with this application.

-1-

! The Assignee or Transferee certifies that grant of this application would not cause the Assignee or Transferee to be in violation of any pertinent cross-ownership, attribution, or spectrum cap rule.*

* If the applicant has sought a waiver of any such rule in connection with this application, it may make this certification subject to the outcome of the waiver request.

¹ These requirements apply only to applicants and licensees in wireless services that have been converted to ULS as of February 12, 1999. See "Wireless Telecommunications Bureau Announces New Universal Licensing System (ULS) Filing Procedures and Revised Application Forms Effective February 16, 1999," *Public Notice*, DA 99-314 (February 10, 1998).

! The Assignee or Transferee agrees to assume and abide by all the conditions imposed on the Assignor or Transferor under the subject authorization(s), unless the Federal Communications Commission pursuant to a request made herein otherwise allows, except for liability for any act done by, or any right accrued by, or any suit or proceeding had or commenced against the Assignor or Transferor prior to this assignment.

! The Assignee or Transferee certifies that all statements made in this application and in the exhibits, attachments, or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.

! The Assignee or Transferee certifies that neither it nor any party to the application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862, because of a conviction for possession or distribution of a controlled substance. See Section 1.2002(b) of the rules, 47 CFR § 1.2002(b), for the definition of "party to the application" used in this certification.

! The applicant certifies that it either (1) has an updated Form 602 on file with the Commission, (2) is filing an updated Form 602 simultaneously with this application, or (3) is not required to file Form 602 under the Commission's Rules.
